

Figure IX-20:

Donner Lake Watershed Vegetation

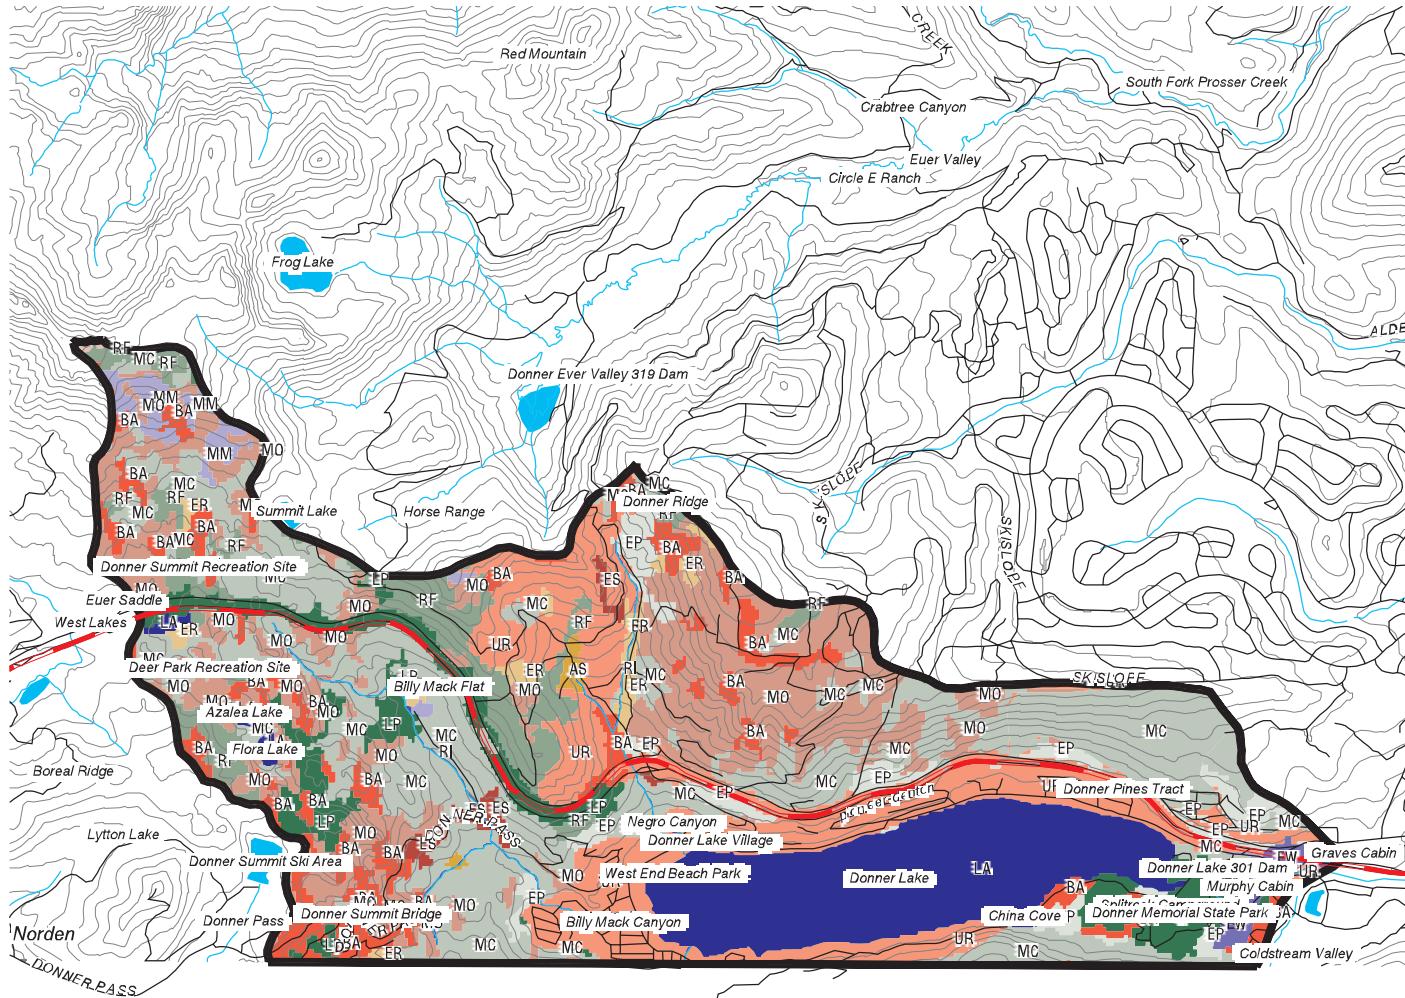

- This map illustrates the Lower Housatonic River Watershed. It features a network of streams and rivers, including the Housatonic River and its tributaries. Major highways are shown in red, and local roads are depicted in grey. The 100-foot contour lines are shown as thin grey lines. Two lakes, Rouseau Lake and Lake Waramaug, are highlighted in blue. The watershed boundary is marked by a thick black line. The map is labeled with the following features:

 - Watershed Boundary
 - Streams & Rivers
 - Major Highways
 - Local Roads
 - 100 Foot Contours
 - Lakes & Reservoirs
